

Carers Victoria in collaboration with South West Carer & Respite Services Network

warmly invites carers to join us for a focus group at
The Flying Horse on Wednesday 14 March.

We are seeking your input into the review and assessment of information resources we are developing to raise awareness amongst older carers and carers of older people, about how harm can occur to older people in care relationships, commonly known as elder abuse.

The people we want to be able to use the information are older carers and carers of older people as well as their family and friends.

What's involved:

- Light lunch to start with
- An introduction to the project
- Sharing your constructive opinions about the resources we have developed

You will receive a \$30.00 Coles Myer gift card to thank you for your participation.

Date: Wednesday 14 March

Time: 12.30-3.00pm

Venue: The Flying Horse
Mahoneys Rd & Raglan Parade, Warrnambool

Onsite parking is available.

RSVP

Please RSVP by: Thursday 8th March

Sarah Crisp
Elder Abuse Prevention Project Worker
