Mpower Presents training and professional development sessions that can be provided in your community, your venue or at Mpower.

- Mpower has knowledge and expertise gathered over more than 40 years in the disability and early childhood intervention field.
- Sessions are presented by our highly qualified staff. Bookings are essential.
- Presentations are scheduled over the school terms.
- Topics suited to carers or staff can include: Introduction to Autism, Responding to Sensory needs, Autism Communication, Writing social stories, signing of communication, and Hearing Loss in early childhood.

Please contact Erica Smith at Mpower or esmith@mpower.org.au for RSVP, more information , cost or to discuss your training needs so we can arrange sessions to suit your needs.
